

Water Distribution Operator

Breezy Hill Water & Sewer Co., Inc.

Breezy Hill Water & Sewer Co., Inc. has an opening for a Water Distribution Operator. Two years of experience is desired, but not required. This position is responsible for the maintenance and operation of a potable water and sewer distribution system. Duties include fixing water main leaks, valve and hydrant maintenance, hydrant flushing, and inspection and maintenance of wells, tanks, booster pump sites, installing water services, reading, locking and unlocking meters, and anything else pertaining to the system. The position requires weekend, holiday, and on-call duty.

A high school diploma or GED is required, as well as a valid driver license. Experience working with mechanical or heavy equipment is preferred, but not required. Interested candidates can apply at our office located at 506 Bettis Academy Rd, Graniteville, SC 29829, on our website – www.bhws.org, or call (803) 663-6455 to have an application mailed to you. Starting salary is \$18.00/hour with excellent benefits. Pay is negotiable based on experience and certifications pertaining to the position.
